Campaign and Advocacy

The Black & Pink National REAP (Restore. Embolden. Amplify. Power.) Program focuses on addressing the difficult issues faced by LGBTQIA2S+ formerly incarcerated people when they exit incarceration and reenter community, including inaccess to safe housing, medical care, employment, and self-development.

The R.E.A.P. Program serves to strengthen community-based programming that LGBTQIA2S+ people feel is supportive and affirming, decrease the numbers of LGBTQIA2S+ people reentering the Nebraska criminal legal system at the city, county, and state level, and create opportunities for formerly incarcerated people to create a quality of life that they dictate without barriers or ceilings.

Black & Pink National is a national 501c3 organization based in Omaha, NE.

Black & Pink National is a prison abolitionist organization dedicated to abolishing the criminal punishment system and liberating LGBTQIA2S+ people and people living with HIV/AIDS who are affected by that system through advocacy, support, and organizing.
