Policy Issue Resources

The Vera Institute of Justice's Neil A. Weiner Research Speaker Series features Nicholas Freudenberg, Distinguished Professor of Urban Public Health at Hunter College, City University of New York. In this podcast, Professor Freudenberg discusses REAL MEN (Returning Educated African-American and Latino Men to Enriched Neighborhoods), a reentry program using education, treatment, and a strength-based approach designed to reduce drug use, risky sexual behavior, and criminal activity among 16- to 18-year-old males leaving New York City jails.

Lifting a nearly 30-year ban on Pell Grants for people who are incarcerated, Congress passed the FAFSA Simplification Act, which restores their Pell Grant eligibility starting in 2023, allowing them to affordably pursue postsecondary education in prison. The Second Chance Pell (SCP) Experiment has highlighted the success of prison education program ...

In Florida, the list of 20,000-plus banned books includes Nutrition For Dummies and PCs For Dummies. In New Hampshire, the Pulitzer Prizewinning novel Blood in the Water: The Attica Prison Uprising of 1971 and Its Legacy makes the list. Texas, which bans nearly 9,000 books, once counted a collection of Shakespeares plays and sonnets among them. ...

When Jared (who asked to be identified by only his first name) began taking college classes at Turney Center Industrial Complex, a prison in central Tennessee, it was not a love for learning that motivated him that would come later. Before Turney, Jared had been incarcerated in a private prison. Its not very equitable, Jared shared, reflecting ...
