The Guardian Reporter is the newsletter of [The Guardianship Project](#) (TGP), a demonstration project of the Vera Institute of Justice. In this newsletter you will learn about TGP staff and how the project is expanding in New York City. Readers will also learn about issues affecting adult guardianship as a whole, such as Falsk Law, and the Elder Abuse and Protection Act.

Each newsletter includes a featured case study on one of TGPs clients highlighting the hard work our staff does for each individual.

A letter from the director addressing what is new and has recently been accomplished by TGPs staff.

Project highlights and newsworthy events that have taken place since the last newsletter.
