A Report from Inside Prison Documents the Distinct Ways That Solitary Is Used on Women, and How It Often Adds to Long Histories of Abuse

by [Solitary Confinement Reporting Project](#) | December 24, 2020

The Solitary Confinement Reporting Project awarded grants to journalists on both sides of prison walls to report on solitary confinement.

Accurate information and authentic storytelling can serve as powerful antidotes to ignorance and injustice. We have helped generate public awareness, mainstream media attention, and informed policymaking on what was once an invisible domestic human rights crisis.

Only with your support can we continue this groundbreaking work, shining light into the darkest corners of the U.S. criminal punishment system.
