## Policy Issue Resources

In 2020, HRFK worked with Delegate Vivian Watts to pass HB 746 in the Commonwealth of Virginia which requires law enforcement to notify a child's parent or legal guardian if he or she is arrested. The new law also requires that a child consult with his or her parent or legal guardian prior to waiving their Constitutional rights and being subject to a custodial interrogation. HRFK published this Know-Your-Rights flier with our partners at Rise for Youth to help educate parents and kids in the DMV region about their new rights under Virginia law. Human Rights for Kids is a non-profit organization dedicated to the promotion and protection of human rights for children. Our team focuses on advancing critical issues through research and education, coalition building, policy advocacy, and strategic litigation.
