He spent the next several months in a halfway house, then living with his niece, then at his sisters, then going back and forth between their places. Last fall, several months after he applied for public housing, he received a letter from the Winnebago Housing Authority, now known as Northern Illinois Regional Affordable Community Housing (NI ReAC ...

Today, the total number of incarcerated womenincluding in state and federal prisonsis more than seven times higher than it was in 1980. And the estimated 1.2 million women who are under the control of the criminal legal system are not suffering the effects of mass incarceration and mass supervision alone. More than 58 percent of women in state an ...
