Public Facing Advocacy Writing

In just three months, Childrens Rights made amazing progress for kidsincluding securing key reforms to give children a better chance at a stable home, improving access to health and mental health services, and ending the cruel use of restraints and solitary confinement in a boys group home in Iowa.

I think it means a lot for him to be back in school because it gives him hope and its a joy for me when I hear the excitement in his voice when hes speaking of being back in school.

Ms. B., Mother of Named Plaintiff T.H., *T.H. v. DeKalb County School District*

Officials agree to provide special education services for hundreds of incarcerated youth in the largest county jail system in the US.
