Architecture and design has a role to play in creating a reimagined prison: a place that heals, invests in human dignity, and restores communities. This video was created by architectural firm Mass Design Group for Vera's Reimagining Prison project.

Architecture and design has a role to play in creating a reimagined prison: a place that heals, invests in human dignity, and restores communities. This video was created by architectural firm Mass Design Group for Vera's Reimagining Prison project.

Prison in America causes individual, community, and generational pain and deprivation. Built on a system of racist policies and practices that has disproportionately impacted people of color, mass incarceration has decimated communities and families. But the harsh conditions within prisons neither ensure safety behind the walls nor prevent crime an ...
