IJPC's non-profit status means that it relies on your contributions to provide essential programming and work for justice. Donate today and see your dollars make a difference. Donations are tax deductible.

The Intercommunity Justice and Peace Center educates and advocates for peace, challenges unjust local, national and global systems, and promotes the creation of a nonviolent society. IJPC is supported by faith-based organizations and individuals who work together to educate around justice issues, take collaborative action and do public witness. We address local, national and international concerns focusing on the death penalty, immigration, human trafficking and peace and nonviolence.
