Policy Issue Resources

Launched in Omaha, Nebraska in 2018, Black & Pink National's TRANSitions program builds a pathway toward safe housing for people who are system impacted and identify as transgender women, gender nonconforming individuals, and queer people living with HIV/AIDS. The program began by serving formerly incarcerated transgender women, often of color, who experienced housing instability. While this program continues to focus on providing housing for women, we acknowledge that gender is often not binary in the LGBTQIA2S+ community. After establishing a partnership with local apartment owners, Black & Pink National provides the down payment, as well as two months rent for participants, which waives background and credit checks that often act as a barrier.

Black & Pink National is a national 501c3 organization based in Omaha, NE.

Black & Pink National is a prison abolitionist organization dedicated to abolishing the criminal punishment system and liberating LGBTQIA2S+ people and people living with HIV/AIDS who are affected by that system through advocacy, support, and organizing.
