CCR Bertha Foundation fellow [Noor Zafar](#) spoke with Al Jazeera English about Trump's second attempt at a Muslim Ban: "This is still a ban designed to keep Muslims out of this country. If you look at the six countries that are targeted by this ban, they're Muslim-majority countries and if you look at the evidence that the administration is offering to support its claim that these countries are places from where quote-unquote 'Islamic radicals' come in, that data is just not borne out of facts."
