But our legal system has not caught up with that reality. All too often, justice stops at the border. When justice is compromised, so are migrants, families, businesses, and you. We provide legal services to bridge that gap.

By building partnerships between advocates and lawyers across borders, we can ensure that wherever migrants go, their rights will follow.

We work with stakeholders in government and civil society to ensure migrants are not systemically shut out of the justice system.

[Theres a bittersweet story behind that juicy orange](#)
