Mission Statement

The Beyond Guilt Project launched in 2019 is a state-wide advocacy project for over-punished incarcerated people.

We support directly impacted communities through our projects, education and community outreach.

Beyond Guilt will see to do for over-punished prisoners who admit guilt what innocence projects have done for wrongfully convicted persons who claim actual innocence.

OJPC runs free legal clinic focusing on criminal record sealing and expungement for people who qualify.

Human Rights in Prison is OJPC's flagship project focusing on access to medical and advocacy for the abolition of inhuman practices.
