IJPC Walks to Stop Executions

The IJPC staff and Fall intern are set to participate in the **Walk to Stop Executions**. Beginning on Sunday, October 4th, we will join more than a dozen others walking part or all of the 83 miles from death row in Lucasville, to the Statehouse in Columbus. Sponsored by Scioto Peace and Justice for Fellowship of Reconciliation, IJPC, Footprints For Peace, Ohioans to Stop Executions and Unitarian Universalist Justice Ohio, the 7-day trek is being made to raise awareness and engage local communities along the route in conversation about ending capital punishment. The

march will conclude with a noon rally on Saturday, October 10th, the World Day Against the Death Penalty, at Trinity Episcopal Church across from the capitol.

Senate bill 154 (Primary Sponsor Sen. Edna Brown) would abolish state of Ohio's death penalty. House version HB 289 (Primary Sponsors: Rep Nickie J. Antonio (D), Rep Niraj J. Antani (R) also introduced (July), with bipartisan support.

Please contact your legislators and encourage them to support the bill.

1985-2015: Celebrating 30 Years

The energy in the space was palpable. At the 30th Anniversary and Annual Meeting, there was a beautiful coming together of the many people who have made IJPC what it is today. We shared gratitude to the founding members, and saw the diversity of interests and involvement of those gathered.

Throughout the past year, we have been working to move IJPC into a new moment, into a future created together. We look forward to the many ways our programs will grow but this work takes a lot of resources to turn into a reality. There are many ways to get connected and stay involved and we welcome all as we move forward. We need your skills, intelligence, passion, and commitment as we launch into the next 30 years.

The Intercommunity Justice and Peace Center educates and advocates for peace, challenges unjust local, national and global systems, and promotes the creation of a nonviolent society. IJPC is supported by faith-based organizations and individuals who work together to educate around justice issues, take collaborative action and do public witness. We address local, national and international concerns focusing on the death penalty, immigration, human trafficking and peace and nonviolence.
