In it, learn about the state of executions in Ohio, about the nonviolent book study *Engage* that we did this winter and spring, a wrap up of the successful Ohio Nuns on the Bus tour we did, and to learn a bit more about some anti-human trafficking federal legislation that was recently signed!

The Intercommunity Justice and Peace Center educates and advocates for peace, challenges unjust local, national and global systems, and promotes the creation of a nonviolent society. IJPC is supported by faith-based organizations and individuals who work together to educate around justice issues, take collaborative action and do public witness. We address local, national and international concerns focusing on the death penalty, immigration, human trafficking and peace and nonviolence.
