Policy Issue Resources

Under international human rights law no child may be incarcerated in adult correctional facilities. Accordingly, the U.S. has been urged to adopt laws which prohibit any child under the age of 18 from serving pre-trial confinement or custodial sentences under the adult correctional system or any form of adult facility.

Human Rights for Kids is a non-profit organization dedicated to the promotion and protection of human rights for children. Our team focuses on advancing critical issues through research and education, coalition building, policy advocacy, and strategic litigation.
