## Public Facing Advocacy Writing

This piece was created by [Ang Bennett](#) for our annual [Holiday Card Campaign](#), and is being sent inside to all of our incarcerated members to spread some love during the holiday season. Ang is an Omaha-based mixed media artist, curator, and advocate. They are a 2020 Young, Black, and Influential award recipient for Creativity. Ang represented the state of Nebraska in the Mana Urban Arts Get out the Vote poster campaign. Their art practice focuses on past and present themes of racial inequity, class privilege, and LGBTQIA2S+ identities.

I wanted to showcase women throughout history on the frontlines of equity and justice by any means necessary; women who were and are full of light and love, while also being a strong force. I also wanted to honor the memory of our most recently departed, Monica Roberts. Thank you to Black & Pink for entrusting me with this project. -Ang Bennett
