Public Facing Advocacy Writing

[DONATE](#)

We pulled aside a handful of experts to talk with us during the Drug Policy Alliance's 2017 International Drug Policy Reform Conference in Atlanta last month. Jon Perri works at [change.org](#) and his new project, Nation of Second Chances, explores the stories of many people who received clemency from President Obama. We also found time to talk about Phish, race, drug use at concerts/festivals, and nuclear war. It was a great conversation, hope you enjoy!
