Note: The following came to Solitary Watchin aletter from **Gordon Davis**, who isdoing time in Pennsylvanias SCI Somerset. He describes his situation as Currently serving 600 days in the RHU (Restricted Housing Unit) for an assault on an inmate in general population.

I sit in solitude alone in my cell, with thoughts of freedom running wild in my head like a child in a walker, I shiver from the bitter cold that these concrete walls give off, I cant do nothing but lay in the corner on the cold floor naked the only light enters through the bottom of the steel doorIm so coldhunger sets in as as the only food I will be eating is some stale bread and if Im lucky a piece of rotten fruit. I scratch the days into my skin with hopes of being released from these psychological confines of this concrete jungle, with no windows, no lights, no bed no running water, just a toilet that doesnt work with the strong smell of years of urine, this is sure to make any man lose his mind. This is the reality of a man in prison with the support of no one, do you think he hurts?

The Voices from Solitary series publishes dispatches from people surviving the lived experience of solitary confinement.

Accurate information and authentic storytelling can serve as powerful antidotes to ignorance and injustice. We have helped generate public awareness, mainstream media attention, and informed policymaking on what was once an invisible domestic human rights crisis.

Only with your support can we continue this groundbreaking work, shining light into the darkest corners of the U.S. criminal punishment system.

Why is this man held this way like a sub-human past all caring. It is a disgrace to our prison system and to our country. He is not getting the basics such as adequate food and bedding. The Nazid were better.

WHY IS HE NAKED?
WHY ISNT THERE A BED?
HOW LONG WILL THEY KEEP HIM WITHOUT CLOTHNG?
IS THIS LEGAL?
WHY WILL HE NOT GET 3 MEALS A DAY?
WHAT CAN WE DO TO HELP?
