

## 2019 CyberTipline Reports by Electronic Service Providers (ESP)

NCMEC's CyberTipline is the nation's centralized reporting system for the online exploitation of children, including child sexual abuse material, child sex trafficking and online enticement.

In 2019, the CyberTipline received 16.9 million reports related to suspected child sexual exploitation.

These reports contained 69.1 million videos, images and files.

The following is a breakdown of reports by electronic service providers.

\*Report totals for related platforms and companies have been combined.
