Publication

These are 18 issues (dating from August 1967 to November 1970) of "The Vera Report," a somewhat-monthly report produced by the Vera Institute of Justice detailing the current activities, projects and agenda of Vera at that time. Early issues are titled "Report to Staff and Trustees of the Vera Institute of Justice." Whether or not more issues of "The Vera Report" were published is not known (Andrew Taylor, Library Intern 7/12/07).
